POLITICIANS REALLY WILL HAVE TO PAY

Council Means Business As
to Lights for Future
Party Rallies

Actually in earnest are city dads as to collecting a fee from the political parties that hold meetings in public during the present campaign. That talk about making the ones behind the spellbinders come through and jungle up was in reality no joke. No it not by \$2 per hour worth. If they want light, and what would a political meeting be when held in the dark, they must come through, and much for the meeting but at rates. Unlike the cab rates in the cities there is no special place charge. No sir, not by a long way. It is to be so much per hour that time will be money with them.

Now what will the management meetings do when a long-

winded speaker gets started upon his "eighteenth" reason why he should receive an unpaid support? Will they get the book and drag him off? This would win applause from the audience in some instances but the dignity would be certain to result. As the speaker goes on the lights continue to burn throughout his peroration and it burns up 243 cents for every rhetorical argument.

Yes, this city but the fathers need the money to meet the expenses of running the city and Mayor Newman stated yesterday to a Rowley representative that like the rain the light should fall upon the righteous and the unrighteous but only when the bills are paid by the rival political organizations.

Not a Valuable Habit.
A man who does exactly what he is paid for, and no more, is never apt to be paid a large salary for what he knows.—Athenian Globe

In the Matter of the Guardianship of John M. Letson, a minor.

Order to show Cause why Order of Sale of Real Estate should not be made.

It appearing to this Court, by the petition this day presented and filed by James Letson, Guardian of the Estate of John M. It is therefore ordered by this Court: That all persons interested in the estate of said deceased appear before the Court at said Probate Court, on Thursday, the 2nd day of November, A. D. 1911, at the hour of 10 o'clock a.m. of said day, at the court room of said Court, at the court house in the city of Tombstone, Cochise County, Territory of Arizona, to show cause why an order should not be granted to said James Letson, Guardian as aforesaid, to sell so much of the said real estate as shall be necessary, and that a copy of this order be published for four successive weeks in the Bisbee Daily Review, a newspaper printed and published in the said County of Cochise.
